FAX: 212-351-3401

Asim Zaidi's practice focuses on intellectual property and technology-related litigation in cases involving web development, telecommunications, and networking. Recently, Mr. Zaidi was part of the Desmarais LLP trial team that won a complete non-infringement defense verdict for Cisco Systems, Inc., defeating a claim for more than \$370 million and treble damages.

During law school, Mr. Zaidi served as a line editor for the Harvard Journal of Law and Technology, a law journal that publishes about intellectual property, biotechnology, privacy law, computer law, cybercrime, antitrust, space law, telecommunications, the Internet, and e-commerce. He also served as a legal intern for the Concussion Legacy Foundation, a nonprofit organization created to support athletes, Veterans, and all affected by concussions and CTE.

rior Experience:

- Legal Intern, Concussion Legacy Foundation, 2020
- Summer Associate, Desmarais LLP, 2019
- Summer Associate, Knobbe Martens Olson & Bear LLP, 2018
