Bindu Donovan of Desmarais named to Benchmark Top 250 Women in Litigation.

Benchmark Litigation has recognized Bindu Donovan as one of the **Top 250 Women in Litigation** in its annual publication. Donovan is a New York-based litigator with Desmarais.

The Top 250 Women in Litigation publication's extensive research process, which encompasses six months of investigation into the individual litigators' professional activities as well as client feedback surveys and individual interviews, has culminated in the selection of the most distinguished women in the world of litigation. These women have earned their place amongst the leading female litigators by participating in some of the most impactful litigation matters in recent history as well as by earning the hard-won respect of their peers and clients. Though they hail from widely different practice areas, they all share the distinction of being recognized as top players in their respective fields.

Listed within the US section of the *Top 250 Women in Litigation* publication, Benchmark Litigation had this to say about Donovan:

Bindu Donovan of Desmarais specializes in pharmaceutical and medical device litigation. She is recognized for her life sciences, patent and Hatch-Waxman Act cases on behalf of the world's leading drug companies. Donovan represented longstanding client Johnson & Johnson subsidiary, Actelion Pharmaceuticals in patent infringement suits filed under the Hatch-Waxman Act involving a pulmonary arterial hypertension drug. "There are a small handful of go-to IP litigators, and Bindu is absolutely one of them."

Attorneys named to the 2020 publication were chosen through several phases of research: namely, the review of their recent case work, peer review in which we consider how attorneys at peer legal institutions might rank them, and a consideration of client feedback on their performances.

In addition to this honor, Desmarais also enjoys a number of firm-wide rankings and further individual attorney recognition by Benchmark Litigation. For more information please see here:
